

This is a call for articles for the forthcoming number of the *journal of humanities and social sciences* (ISSN 0973-8737), an international refereed journal annually published by Scottish Church College, Kolkata.

The next issue will be published in September 2021 (tentatively). The theme of the forthcoming number of the journal is “**Pandemic Outbreak: Impact, Challenges and Opportunities**”. As we are witnessing an unprecedented global pandemic outbreak of COVID-19, the practitioners of all academic disciplines need a common platform to exchange their ideas that may be effective in the sustainable management of the crisis and the way forward after it is mitigated. Contributions are invited from all disciplines of social sciences and humanities to raise issues emphasizing the impact, challenges and the opportunities related to the outbreak of the pandemic.

It should be noted that we will publish only the **first ten articles** which receive positive referee report.

Contributions are invited from researchers working in different fields of humanities and social sciences. Contributions must reach the editorial board latest by **31<sup>st</sup> March, 2021**. Notes and references should follow as end notes and numbered serially. We invite research papers which should be original, hitherto unpublished, well-documented, and consistent with the scope of the journal and should not normally exceed 5000 words including notes and references. Every article should contain an **abstract** (300 words) and **key words** (max.8).
