Memo No. 136/DOMA-KOL

Dated: 10/06/2021

To
 The Principal/ HM
 _____ College/ School
 Kolkata

Sub: Verification of scholarship applications on AIKYASHREE portal and furnishing certificate thereof - URGENT.

Sir/ Madam,

It has been 10 months since the AIKYASHREE portal was reopened last year for filing online applications for scholarships to the students belonging to minority communities for the academic year 2020-21. But it is seen that a huge number of applications are lying either at the institution level without verification or at district level for want of verification certificate from nodal teachers/officers.

Considering the disruptions due to the assembly elections and the grave pandemic situation the portal was kept open even after the last date of filing application. As a result many institutions may find some applications filed after the notified last date of filing.

In this situation you are requested to take immediate steps to verify the applications without any further delay and submit the verification certificate duly downloaded and signed to domakolkata@gmail.com.

In the following cases:-

1. Where an application is filed after the due date but is otherwise eligible and genuine it may be verified.
2. Where an applicant could not submit hard copy due to lock down his/her application may be verified if the nodal teacher/ officer is fully satisfied that it is genuine and eligible.
3. Where either the Principal/ HM or the Nodal Teacher/ Officer is not available due to lock down any one of the two may sign the verification certificate. But in such cases only the downloaded certificate should be signed and sent through the OFFICIAL EMAIL ID of the institution.

It must be kept in mind that the portal is going to be reopened soon for the academic year 2021-22. Hence the verification and submission of verification certificate should be completed within the next one week so that the scholarship amount can be released within this month itself.

THIS MAY BE TREATED AS MOST URGENT.

Yours faithfully,

A. J. Hashami
