

### **3.2.2 IPR**

#### **Report on Seminar on Intellectual property Rights organized jointly by the IQAC and the Research and Development Cell of the college on 29.5.2023**

The college organized a seminar on IPR on 29.05.2023 for the faculty members of the college. The speaker was Shri Meghdut Bhattacharya, IPR attorney and startup advocate. The said seminar was attended by 108 teaching faculty members. The seminar was jointly organized by the IQAC and the Research and Development Cell of the college. The Principal Dr Madhumanjari Mandal gave the welcome address. Dr Supratim Das, the Vice Principal delivered speech. The programme was coordinated by the IQAC coordinator. After the talk the faculty members asked many questions on the said topic.

#### **Objectives of the Seminar:**

1. To spread knowledge about the concept of IPR amongst the teachers
2. To make the faculty members aware of the value of their intellectual property
3. To make the faculty members aware of the steps to be followed while applying for an IPR
4. To make the faculty members aware about the legal provisions they need to take in an event of infringement of their intellectual property.
