**Congratulations!** We are excited to inform you that you have been selected by our Admissions Committee for the 2024 HPAIR Harvard Conference. On behalf of the entire team at the Harvard College Project for Asian and International Relations (HPAIR), please accept our warmest congratulations!

Our team thoroughly reviews each written application and considers every interview with great care. We accept only those who show the greatest promise and potential and who we think will bring about the greatest contributions at our HPAIR Harvard Conference 2024 (HCONF). Based on your previous experiences, your merit, and your passion, we hope that you will share your own unique ideas with fellow delegates from around the world at HCONF 2024.

The theme of this year's HPAIR Conference is **Charting New Horizons: Mapping Present and Future**, reflecting our core value of creating unique ideas that drive our modern world. As we at HPAIR reflect on our over 30 years of history, we too are looking ahead to what the future holds as we bring together yet another generation of future leaders to Harvard's campus in Cambridge, Massachusetts.

In the past few years, our conferences have featured global business leaders (CEO of McKinsey & Co., COO of Zoom), top government officials (former Vice President of the Philippines, U.S. Trade Representative, former Chief Secretary of Hong Kong), international celebrities (Janice Koh, Anupam Tripathi), Nobel Prize winners (Muhammad Yunus, Seth Shelden), among many others! This upcoming conference will take place from February 9-11, 2024, and will allow you to engage with even more renowned speakers, network with fellow delegates, and create lifelong memories and connections.

As the Co-Presidents of HPAIR, we wanted to personally congratulate you on your acceptance and to welcome you to HPAIR. We can't wait to meet you in February!

Warmly,

**Ms. Ellen Fitzsimons, Ms. Jessica Chen, & Ms. Kaitlyn Zhou**
