Dear Dr. Kaberi Chatterjee,

I am pleased to confirm the acceptance of your presentation “Christie's Marple to Calcutta's Ranga Pishima: A Cultural Journey” to be delivered at the Northeast Modern Language Association’s 53rd Annual Convention.

Over the past few years, NeMLA has moved from a small regional conference, to a major conference with more than 400 sessions and more than 1,800 participants annually. It has become highly competitive, attracting scholars throughout North America and internationally. Without the presence of this international community of scholars, NeMLA and the intellectual engagements that take place at our annual event and within the organization would simply not be the same.

The conference will be held in Baltimore, Maryland, March 10 to 13, 2022. We look forward to your participation.

If you have any questions, please email to the address below or call our office at the number below. Congratulations on your acceptance.

Best regards,

Carine Mardorossian
Executive Director, Northeast Modern Language Association
