The college plans to offer an Add on course on Gender Sensitization to sensitize the students regarding the issues of gender and the gender inequalities prevalent in society. It aims at raising and developing social consciousness among the students. The course will develop capacity building among the students to enable them to engage in policy decisions to remove gender biases in all fields of life in the process of gender equality for nation building.

The college also plans to aware students and staff members about gender issues by organizing talks, debates and discussions to create a safe and positive environment in which everyone can work and respect each other.
