will be displayed
in an Exhibition
on 22nd April
2022

Guidelines for submission of photographs:

- Photographs should be submitted in A4 format, landscape/portrait.
- Basic editing, i.e, brightness, contrast modifications are allowed. However, no external elements can be added to the photograph.
- Only original photographs are eligible for submission.
- Name, Semester and Department of the participant should be mentioned on the bottom right corner of the document containing the photograph.
- Only one photograph can be submitted per participant.
- The theme for said competition is: **Invest In Our Planet**
- Selection of the winners will be based on compliance to the theme.
- Hard copies of the photographs are to be submitted, latest by 2:30 pm, 19th April, 2022.
- Where to submit: Smt. Camellia Nandi (Department of Botany), Dr. Tina Mukherjee and Dr. Senjuti Halder (Department of Microbiology).
