NOTICE

Kind Attn : HoDs

Subject: "Workshop of IPR Cell"

It is a great pleasure to inform you that the Department of Science & Technology and Biotechnology, Government of West Bengal has given us permission (Letter No: 131/WBSCST/F/0460/13 dated 19th April 2024) to set up an Intellectual Property Rights (IPR) Cell in the college.

Accordingly, the IPR cell intends to organize a **ONE DAY WORKSHOP** in the month of July, 2024. It will be organized in two parts: First part – Inauguration of the IPR Cell, and second part– Model Exhibition (mainly by the students of our college).

Heads of the Departments are requested to guide the students in preparing various innovative models for the workshop. The following points should be kept in mind while preparing the models:

- (i) The model should be **innovative**. It may have an **inventive step**.
- (ii) It should carry **new ideas which are useful, and not obvious**.
- (iii) It should be based on **Industrial Application** so that it may lead to opening a startup.
- (iv) It may be based on **Literary and Artistic Works** (Books, paintings, musical compositions, plays, movies, radio/TV programs, performances, and other artistic works) so that it can be opted for **either COPYRIGHT or TRADEMARK**.
- (v) The model may be based on **Layout-designs and Geographical Indications**.

A one page write-up on the work to be submitted to Dr. Partha Halder by 31/05/2024.

We earnestly seek your cooperation to run the activities of the IPR Cell in the college Smoothly.
